

School House Rock: Curating English Language Learning Resources for Libyan Teachers of English

Project Title	School House Rock: Curating English Language Learning Resources for Libyan Teachers of English
Project Summary	Identify, curate, and share on-line resources for teaching English as a foreign language
Country	Libya
Agency	Department of State
DoS Office	N/A
Post	TRIPOLI
Section	PAS
Number of Interns	1

Project Description

Identify on-line resources for teaching English as a foreign language, develop an on-line annotated depository for the resources, and hold regular guided sessions (via Skype or similar) for Libyan English language teachers on the resources and how to use them. You may use the U.S. Embassy Libya Facebook page or migrate to another appropriate on-line medium.

We are looking for an intern who is:

- A self starter.
- Passionate about English Language teaching and learning.
